**CRANIAL TREATMENT:** an hour for \$60.00

Cranial work is done by practitioner on the scalp while patient is fully clothed. The cranium holds the nerves and fluid of the body. This work releases the areas that are tight or restricted and allows the body to come back to center in a very soothing and profound way.

**REFLEXOLOGY TREATMENT:** \$1.00 a minute

Reflexology is done on the feet while client is clothed. The science of reflexology touches and releases areas in the body that may be out of alignment, while also giving the effect of a full massage.
